

Welcome to  
Sixth Grade!

## August 2018

### Supply List

The supply lists for 6<sup>th</sup> grade on the website main page and here vary a little, but that's ok. The main things to have are the basics.

If you need assistance with purchasing supplies please let Mr. Taylor, Mrs. Parenteau, or myself know, and we can help. Any assistance will be strictly confidential.

As with any class, we may need additional supplies throughout the year. I will give you as much notice as possible. Thanks!
